

Matt and Mindy Dalton are the co-founders of Marriage Missionaries located in Denver, Colorado. They have been doing this missionary work, full-time, going on 10 years. Once Matt and Mindy invited Jesus to be at the center of their marriage and the primary source of their love, they have a burning desire and passion to share God's glorious design with others. They do this through a process called Marriage Coaching; a mentoring friendship, one couple to another. They have taken over 400 couples through the Marriage Coaching process and have presented at numerous workshops and retreats.

They have been married for 26 years and have 7 children. Their goal is to help healthy couples stay healthy and thrive. They believe that a "Tune Up" of our marriages can bring great joy, rediscovery and deep love into our families and into the world.
