

Coach,

ScreenTech is excited to be a partner with the Alabama Baseball Coaches Association to offer the Stadium Store Collection fundraising program. It features Alabama and Auburn collegiate apparel and merchandise at prices competitive with the retail market, on campus and online with 40% of the retail sales going to your program. It appeals to the passion that the citizens of Alabama have for these 2 football teams at a time of the year when the excitement is at its peak (August - October) offering quality products to your parents/supporters that most are already purchasing. We simply want to direct some of this spending to benefit your team.

ScreenTech was founded in 1993 as a manufacturer of custom screen printed and embroidered apparel and currently services schools and groups in Alabama, Florida, Georgia, Mississippi and Tennessee. ScreenTech also conducts collegiate licensed product sales with the University of Alabama, Auburn University, Troy University, the Raycom Camellia Bowl, the Birmingham Bowl and is a corporate partner and official apparel provider of the SunBelt Conference. The Stadium Store Collection was established in 2014 after a combined 20 + years experience as the exclusive apparel and souvenir merchandiser in the stadium and arena venues at Alabama, Auburn and Troy along with 10 years experience in the school fundraising industry.

ScreenTech has been granted special permission from the trademark licensing offices at each school to offer this program. We are committed to providing the finest quality products and customer service in the fundraising industry. The program is very easy to run and does have a packed by student feature for simple distribution when the items arrive. We have attached a brochure for you to review.
