Alabama Baseball Coaches Association Scholarship Program

Purpose

The Alabama Baseball Coaches Association (ALABCA) wants to assist student-athletes, who attend the High School All-Star Event and our Showcases throughout the year, with their college expenses during their first year of college. The scholarships are a cash value worth \$1,500 and are available for the recipient's freshman year only. The \$1,500 awards will be given in the form of a check written directly to the college the recipient attends to help cover tuition and/or the cost of books. If both of these are already paid for by another scholarship, the money will be used to help pay for the recipient's housing and/or living expenses. If this is also paid for by other award money, the ALABCA will decide how to award the money to the recipient so that it will be most beneficial to the recipient in his first year of college. The recipient may apply the scholarship only to costs associated with their college's academic expenses first or housing expenses second. Recipients may choose to use their scholarship for a college in-state or out-of-state. After the scholarship recipients have been chosen, their packets will be sent to the Scholarship Advisory Committee, where they will choose the ALABCA Student-Athlete-of-the-Year, and will award them the "Joe Mason Scholarship." The Student-Athlete of-the-Year will have an extra \$500 added to their \$1,500 scholarship, for their total scholarship to be valued at \$2,000. The ALABCA's budget will determine how many scholarships will be awarded. On an average year six scholarships are awarded.

DIVISION III AMATEURISM

CERTIFICATION REQUIREMENTS

International college-bound student-athletes (first-year enrollees and transfers) who initially enroll full time at an NCAA **Division III school** on or after Aug. 1, 2023, must have their **amateur status** certified by the NCAA Eligibility Center. (Academic documents may be requested to establish your official graduation timeline for amateurism certification purposes.)

ADDITIONAL INFORMATION

You must be on a Division III school's **institutional request list** before your certification will be started.

START YOUR AMATEURISM CERTIFICATION IN THREE EASY STEPS!

1

CREATE YOUR ACCOUNT

International student-athletes (first-year enrollees and transfers) planning to study and compete at a Division III school are required to complete an **Amateurism-Only Certification account** with the **Eligibility Center**.

2

ENTER YOUR INFORMATION

When you register for an Amateurism-Only Certification account with the Eligibility Center, you will be asked a series of questions about your **sports participation** to determine your amateur status. In some instances, the Eligibility Center may need to gather additional information to evaluate your amateur status.

3

REQUEST YOUR FINAL AMATEURISM CERTIFICATION

You must **request your final amateurism certification** through your Eligibility Center account; the Eligibility Center cannot finalize your amateurism certification without your request. You can request your final amateurism certification even if other tasks are still open in your account. When you can request your final amateurism certification depends on when you are initially enrolling full time at a Division III school:

Fall Enrollment: If you are initially enrolling at a Division III school in the fall semester, you may request a final amateurism certification on or after April 1 prior to enrollment.

Winter/Spring Enrollment: If you are initially enrolling at a Division III school in the spring semester, you may request a final amateurism certification on or after Oct. 1 prior to enrollment.
